Area 2 (Righthand side as you enter) - No requirement to wear a face covering. Social distancing.

Notice reads *"Social distancing area this side. (Masks not needed)."* - Reason might be concern about Track and Trace and isolation, or may want to continue to social distance out of concern about the virus but do not wish to wear a mask

Area 3 (Overflow) - Expect people to wear a face covering. Social distancing.

Notice reads *"Masks and Social distancing area (overflow)"* - People sitting in this area will probably still be concerned about the virus and will want to be sitting with others also concerned to protect each other. It is at the back so as to behind those not wearing face coverings.
